 Price	We are the original designer and manufacture of the described product. Direct factory supply without any middleman.

Richmor MDVR

Richmor MDVR we have tested here in Pakistan. Though here in Pakistan, no 3G network available. However we tested it without 3G network. For this we have used 3G Evo wireless device and get almost realtime online coverage of vehicle during travel. We have tested this project with Richmor products between two cities Lahore to Sadiqabad. All team of Richmor, no doubt has supported us technically especially ms JJ

We the ALI TRADERS, 29 main bund road Lahore, proud to use Richmor Products 1st time in Pakistan, and also live view access of vehicles during travel.

Here are some demo images of vehicle online access without 3G.

Dear JJ

we are recieved goods already and Our Enginee During Test Both Model HDD and SD

it 's network is good quality

Richmor

Richmor OEM & ODM Service

Brasil World Cup Supplier

Richmor is a leading manufacturer of electronic components and services, providing OEM & ODM services. We are proud to be a supplier for the Brazil World Cup. Our products are used in various industries, including automotive, industrial, and consumer electronics. We have a strong presence in multiple countries, including South Africa, Argentina, Czech Republic, Brazil, Russia, India, Turkey, Mexico, and Saudi Arabia. Our commitment to quality and customer service is our core value.
