The screenshot shows a vehicle monitoring software interface. At the top, there's a navigation bar with 'Home', 'Map', 'Playback', 'System Set', and 'Log Query'. Below this is a sidebar with a tree view of 'Monitor Center (202)' containing various vehicle IDs. The main area features a map of China with a vehicle icon. A large watermark 'rcmccctv.en.alibaba.com' is overlaid on the map. On the right, there are four video playback windows, all showing a blue screen with a filmstrip icon. At the bottom, a data table displays real-time information for a selected vehicle (Monitor ID: 202).
