模拟 数字

The advertisement features a central image of the RCM-MDR7105 Mobile DVR unit, a black rectangular device with a silver heat sink. Surrounding the unit are several circular callouts: a monitor displaying a multi-camera feed, a coiled black cable, a collection of various colored cables (red, green, yellow, black), and a close-up of the rear panel showing multiple ports (BNC, RCA, USB, Ethernet). A central circular graphic contains the text '模拟 数字' (Analog Digital).
