Client Software

# Mobile monitoring and management platform

The screenshot shows the main interface of the mobile monitoring and management platform. It features a top navigation bar with icons for System, Video, Map, Playback, System Set, Log Query, and External App. The main area is dominated by a map showing the world with labels in Chinese for continents and oceans. A sidebar on the left lists various vehicles under 'Monitor Center (5/12)'. Below the map, there is a detailed view for a specific vehicle (Device: 贵C37762) showing its status as 'Online', location, and other parameters. A table at the bottom displays a list of vehicles with columns for Device, Positioning Time, Position, Speed, Alarm, and Status.
