The authorized products have been tested to be with the latest standards and found to conform with the following European Directives:
The EMC Directive 2004/108/EC
EN 60950 2010, EN 60950 2012

The tests were performed in normal operation mode. The test results apply only to the particular sample tested and to the specific tests carried out. This certificate applies specifically to the samples investigated in our test reference number only.

The LCC findings do not take into account the effect of the product after preparation of necessary technical documentation.

Other relevant Directives have to be obtained.
