The screenshot shows a vehicle monitoring software interface. At the top, there's a navigation bar with 'Welcome to log in/Logout', 'Home', 'Map', 'Playback', 'System Set', and 'Log Query'. Below this is a sidebar with a 'Dev List' and a search bar. The main area features a map of China with a red location marker. To the right of the map are four video camera feeds, all showing a blue screen with a camera icon. Below the map is a table with columns for 'Monitor ID', 'Online', 'Alarm', 'Offline', 'Speed', and 'Alarm'. The table lists several vehicles with their IDs and current status. At the bottom, there's a status bar showing 'Running: 20:42:08' and 'Online: 3 / Number of set loss: 0 / Average: 0 / Total: 12 / Use rate: 25.00% / Load rate: 60.00%'.
