00yer00000000000000

The screenshot shows a vehicle monitoring software interface. At the top, there's a navigation bar with options like 'Home', 'Map', 'Playback', 'System Set', and 'Log Query'. The main area is divided into several sections:

- Left Panel:** A tree view showing a hierarchy of 'Monitor Center (202)', followed by a list of vehicle IDs (e.g., 90001, 90002, etc.). Below this is a table with columns for 'Status', 'FID', 'Color', and 'VIP'.
- Center Panel:** A map of China with a red location marker. A large watermark 'rcmccctv.en.alibaba.com' is overlaid on the map.
- Right Panel:** A vertical stack of four video camera feeds, each showing a blue screen with a camera icon.
- Bottom Panel:** A detailed data table for a selected vehicle. It includes columns for 'Monitor ID', 'Online', 'Alarm', 'Offline', 'Speed', and 'Alarm'. The data shows the vehicle is online and moving at 0.00 km/h.
