The screenshot shows a vehicle monitoring software interface. At the top, there's a navigation bar with 'Home', 'Map', 'Playback', 'System Set', and 'Log Query'. Below this is a sidebar with a tree view of 'Monitor Center(202)' containing various vehicle IDs. The main area features a map of China with a red location marker. Below the map is a table with columns: Monitor ID, Online, Alarm, Offline, Speed, and Alarm. The table contains several rows of data for different vehicles. On the right side, there are four video camera feeds, each showing a blue screen with a camera icon. At the bottom, there's a status bar with 'Running: 20:42:08' and other system metrics.
