

High Quality 4 channel 1080P Hard Disk MDVR

Products Description

Resolution	4X 1080P AHD+ 1X 1080p IP Full real-time recording
Module	G-Sensor built in, GPS /3G/4G /WIFI Optional
Storage	Support 1 X 2TB Hard disk + 1 X 128 GB SD card
Alarm I/O	8CH Alarm input, 2CH Alram output
ACC Delay	10 seconds delay pow-off for data protection
Voltage	8V-36V Wide range voltage power supply

Front side and Back side

Product's Front Side

Display

Military Design/ Good Stability/Durable /Shockproof & Earthquake Resistant

Product's Back Side

Display

Wide Voltage Design / Data Comprehensive Protection / High Security

Structure

Front Panel Details

Professional Security Device/Powerful Functions/ User-friendly Button Operation/ Easy to Use

Back Panel Details

Aviation AV&DV Input / Steady Port/ Strong Shockproof Ability/ Simple & Convenient

Product Quality

Integrated **industrial-level battery** inside. When vehicles encounter collision, MDVR supports **10s** delay recording for data protection.

Industrial rubber bracket to prevent the collision of hard disk in the process of driving, to

protect the data security of hard disk. Exclusive damping technology to build military grade quality.

Industrial rubber brackets

Exclusive damping technology to build military grade quality.

Choose the **electronic material of industrial grade**, ensure the life of the component and the stability of the whole machine.

Application case

Example 1---For law enforcement car/police car with PTZ camera

Example 2---For school bus

Management platform

RMVS is a system of centralized management and monitoring of all kinds of vehicles based on wireless network. Perform **Real-time Monitoring**, **GPS tracking**, **Video storage**, **Vehicle scheduling**, **Intercom** and **Alarm**, etc. **Contact salesperson to know more function of RMVS.**
