Police DVR Specification

1. Industrial split type portable design, IP65 Water-proof., camera can be removed and changed

according to exact environment.

2.2.4" TFT, resolution 480 * 234 Li-po inside also have ac charger ≥ 6H continuous working, Portable easy use.

3. Adopt H.264 compression tech, Audio code G.726 save storage room and perfect effect.

4. Powerful network transmission functions, including real-time pre-view, remote playback, remote download, remote broadcasting, interactive SMS, various transmission quality for optional, support audio and video sync.

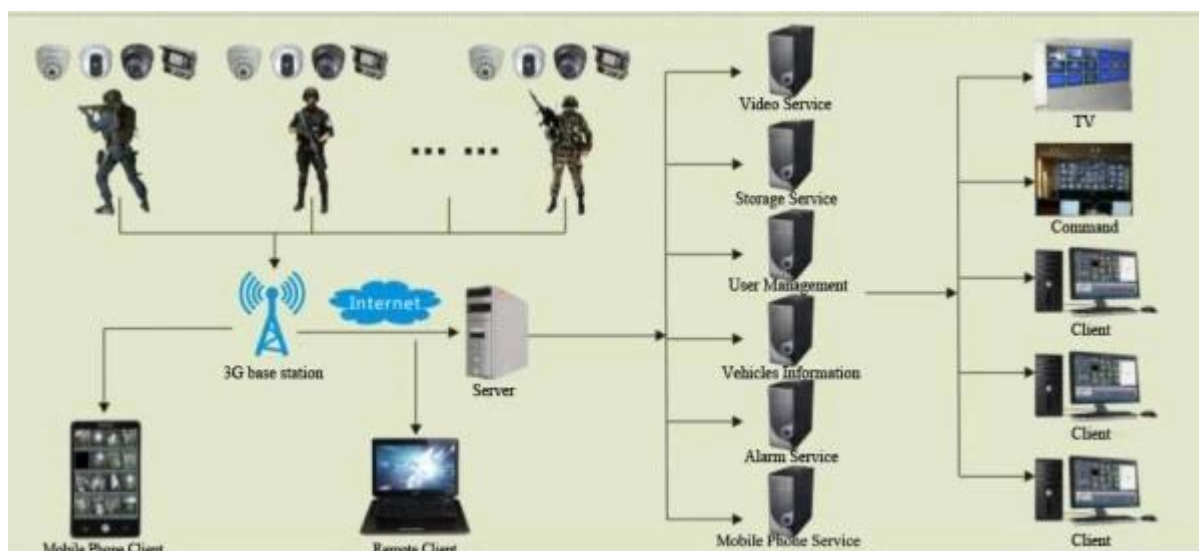

5. Support 64GB micro-SD card max, with USB data backup function professional in file repair and file security.

6. Support WIFI, GPS, 3G, WIFI download breakpoint resume

7. Different 3G module supported for option WCDMA CDMA2000 TD-SCDMA A variety of dial-up authentication mode Adapt all kind 3G Network, compatible with GPRS, EDGE can up to 4G network Beidou navigation system;

8. OTA download support batch auto upgrading.

应用案例/applications
